# MEET THE DRIVER

Hi, my name is Kenyon Knight. I am from Rochester Hills, Michigan, and I have mainly raced at Flat Rock Speedway. This year, I plan to travel to different tracks across Michigan with Owosso Speedway as my main focus. I am a fourth-generation racecar driver and have been going to the racetrack since I was little.

I began factory stock car racing when I was 14 years old and advanced to street stock at 18. My racing mentors and biggest inspirations are my father, uncle, and grandfather. What excites me most about racing is the competitive spirit among the drivers.

When I'm not at the racetrack, I currently work as a General Motors World Class Automotive Service Technician with an associate's degree in Applied Science and I'm working on obtaining a Bachelor's Degree in Management.
